VALENTINE FARMS BED AND BREAKFAST - CHAPLEAU
705-864-1467 • www.valentinefarms.ca

Founded in 1921 as a milk farm, Valentine Farms Bed and Breakfast became an egg farm in 1963, and in 1997 it took on a whole new life as a Bed and Breakfast. That's when hosts Ross and Frenda Broomhead retired from the egg business and decided to convert their egg grading building into a Bed and Breakfast Inn. What a difference! It now hosts seven bedrooms, five baths, a laundry room, a large living room with fireplace, full kitchen, dining area, steam room and large hot tub. They even have indoor parking for sleds. Of course, made to order breakfasts are their specialty.
